**Annual Membership Fee:**

Please send a cheque for **£5.00**  
(or more if you wish) made payable to  
“**Edale Mountain Rescue Team**”.  
Thank you.

**Gift Aid Certificate**

I would like Edale Mountain Rescue Team  
(Registered Charity no 512559) to treat all  
donations I have made since April 2000 and all I  
make from the date of this declaration until I notify  
you otherwise as Gift Aid Donations. I understand I  
need to pay enough income tax or Capital Gains tax  
each year to match the amount of tax Edale  
Mountain Rescue Team will reclaim on my giving. I  
realise I may cancel my declaration at any time and  
after notifying you of the cancellation no further tax  
will be claimed from the date of the cancellation.

**Gift Aid Scheme**

As a registered Charity, Edale Mountain  
Rescue Team can reclaim tax on donations  
made by individuals. The current rate is 28  
pence for each pound given. This means a  
donation of £10 would amount to a total  
donation of £12.80 – so please complete the  
Gift Aid Certificate.

fundraising support for Edale  
Mountain Rescue Team*

*Please help EMRT continue their  
valuable service to the local area*

# Ready to Rescue

*We give our time as volunteers*

*Can you help towards our equipment and running costs?*

*Or spare some time yourself to help us?*

## Please join “Friends in High Places”

The fundraising support organisation for  
Edale Mountain Rescue Team

- Support a team of committed volunteers who turn out to more than 100 mountain rescue incidents each year
- Help fund the vital rescue and medical equipment and the running costs of the team's three Land Rover ambulances
- Receive a regular newsletter on the work of “Friends in High Places” and Edale Mountain Rescue Team

You are always welcome to come along with our local fundraising “Friends” to attend at country shows, supermarket and local street collection days. Or perhaps you have your own idea to raise money for the team

***Thank you for your support!***

*Andrew Campbell raised over £3000 for the team following his near fatal accident at Stanage Edge and subsequent, on scene emergency medical treatment by EMRT.*
